STAY ON COURSE IN YOUR BUSINESS... SIGN UP NOW FOR CHAMBER BUSINESS COURSES!

“Follow the Money!” said Mark Felt, once known as *DeepThroat* in the Watergate revelations, and most recently identified in the last few weeks. This advice is even more important in running a successful business than discovering political intrigue!

By knowing where *your* money is coming *from* – managing its growth, and knowing where it is

going – are the only ways to put your business on the right course to profitability and growth while ensuring your future for your partners, employees, investors – or perhaps just your family – and your customers who depend on your success each day.

The Anguilla Chamber of Commerce and Industry (ACOCI) is pleased to announce open registration for several classes at this time to help members of the Anguilla business community to “follow the money” in your business.

First, “QuickBooks®” **beginners/advanced** will be offered Tuesdays/Thursdays at the Chamber from 7-8:30 P.M. July 7th-21st for EC\$395 ACOCI members/\$495 *non*-members.

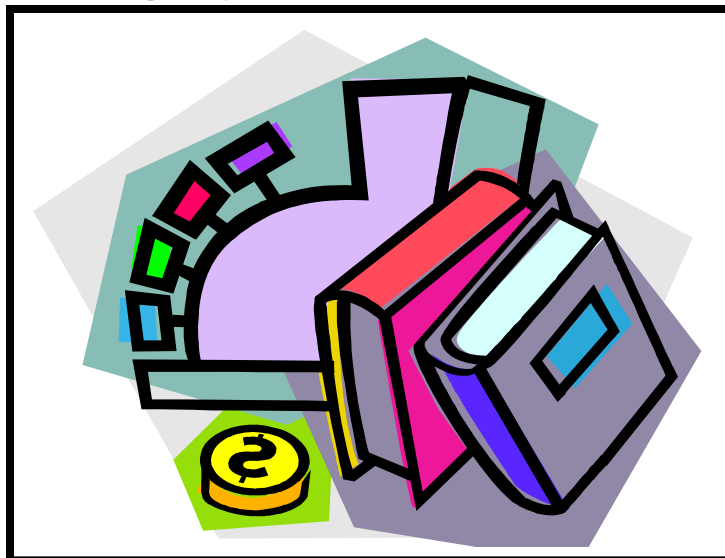

Second, “Quick Tips for QuickBooks” offered Mondays through Thursdays, beginning July 7th from 10:00-12 noon – as a refresher to get the most from QuickBooks software. Next, “Getting Under the Numbers,” is a 4-hour class to “follow the money” – as your numbers

reflect key aspects of business, marketing, cash flow, your balance sheet and pricing – to be held Tuesdays *and* Wednesdays, beginning July 12-13th at 2:00-4:00 P.M. as an *on-site* course.

Sabra Richardson, president of SimplyBudgetting will conduct these classes for EC\$200/ACOCI members and \$300/*non*-members (Quick Tips) and EC\$335/\$435, (Getting Under the Numbers) respectively.

And to “follow the money” from customer loyalty to your bottom line, Melinda Goddard, principal of ClieTel Consulting, will offer a 1-day “Customer Satisfaction Management” Seminar on July 21st from 8:30 A.M. to 5:00 P.M. EC\$395 ACOCI members/\$495 *non*-members.
