

UVI COMMUNITY EDUCATION AND LIFELONG LEARNING (CELL) PROGRAMS—AND SPECIAL RECOGNITION

Mrs. Ilene Garner, Director of the University of the Virgin Islands, CELL Division

On May 5th, supporting and prospective members of the Anguilla Chamber of Commerce participated in the second Chamber General Meeting of 2006.

One of the Board directors, Mr. Colwayne (Anthony) Pickering hosted the meeting, and Mrs. Ilene Garner (*left*) presented an overview of the face to face, video conference, and online options for workforce and professional training—as well as customized corporate training from the University of the Virgin Islands.

Interested persons are invited to contact Chamber executive director, Mr. Calvin Bartlett, to learn more about the CELL program opportunities with the Chamber on behalf of the business community. (497-2839; acoci@caribcable.com)

As a special highlight of the meeting, Board president, Mr. John Benjamin, presented Dr. Louis Bardfield with a certificate

of recognition for his many years of service to the Chamber as vice president and to the business community in general.

The meeting took place at the Overlook Restaurant and was followed by a light buffet and networking lunch meeting for those in attendance.
