ONE OF A KIND GIFTS...

Once again this year, the Anguilla Christmas Fair will feature a dedicated section for Anguillian and regional artists to exhibit truly "one of a kind" gifts for special friends and family members on everyone's gift list.

For exhibitors, these talented participants will help draw shoppers into the Fair and ensure the best possible exposure for all.

In addition to paintings, pottery and hand-made gifts of all kinds, the exhibits will include demonstrations of creating glass jewelry and sculptures by Designer Jo Bean. Jo is owner of the only flame-working studio in the Caribbean, where you can see rods of brilliantly colored glass transformed into elegant jewelry and charming figures.

Beyond beautiful gifts, this demonstration will delight young and old, as sparkling, delicate forms take shape before our eyes!

A Special Request...

The reason the Chamber has not yet published the 2006 Anguilla Business Survey results is that too many of us have been too busy thinking everyone *else* would do the survey and that we didn't need to—or something like that? With thanks to those who *have* participated, we need to ask *everyone else* to take about 5 minutes to help "elect" the best businesses for 2006—and to provide vital feedback regarding our business environment.

Silence is not always the best way to make the world a better place...Just follow the link on... WWW.ANGUILLACHAMBER.COM to take the Business Survey—or call 497 2839 for a copy, today!
